POS	ITEM CODE	DESCRIPTION	QTY	UNIT	UNIT PRICE	DELIVERY	AMOUNT
10	MAT-2401	Aluminum Angle Bar	200	pcs	\$28.50	01.12.2026	\$5,700.00
TECHNICAL SPECIFICATION							
Type / part designation		Aluminum Angle - L Profile	Length Tolerance		+10 mm / -0 mm		
Dimensions		50 x 50 x 5 mm x 6000 mm	Weight per Meter		1.33 kg/m (approx.)		
Material grade		6061-T6	Testing Required		Material certificate, dimensional inspection		
Material Standard		ASTM B221 - Aluminum Alloy 6061-T6	Profile Type		Equal angle, sharp outside corner		
Alloy Grade		6061-T6 (heat-treated and artificially aged)	Leg Tolerance		Per ANSI H35.2, standard		
Leg Length		50 mm x 50 mm (equal angle)	Straightness		Max. 1.0 mm per 300 mm length		
Wall Thickness		5 mm	Twist		Max. 1° per 1000 mm length		
Length		6000 mm (6 meters)	End Condition		Saw cut, deburred		
Surface Finish		Mill finish (as-extruded)	Temper Verification		Hardness / conductivity check		
Thickness Tolerance		±0.3 mm					
ADDITIONAL FEES FOR THIS POSITION – NOT INCLUDED IN AMOUNT OR ORDER TOTAL							
● Cutting Fee – per cut, 200 cuts – 1 cut per bar: trimmed square to exact 6000 mm (+10 / -0 mm) and deburred ● Cert Fee (MTC 3.1) – per heat/lot, 1 certificate – All 200 pcs supplied from a single heat/lot Not charged for this position: Testing Fee, Hydrostatic Testing, Packaging (Standard / Export Grade), Rush / Same-Day Processing.							
Total theoretical weight of position: 1 596 kg Delivery date = arrival at site (DAP). Partial deliveries not accepted for this position.

POS	ITEM CODE	DESCRIPTION	QTY	UNIT	UNIT PRICE	DELIVERY	AMOUNT
20	MAT-3567	Stainless Steel Sheet	50	pcs	\$195.75	05.12.2026	\$9,787.50
TECHNICAL SPECIFICATION							
Type / part designation		Stainless Steel Sheet - Grade 304	Width Tolerance		±3 mm		
Dimensions		1220 x 2440 x 3 mm	Length Tolerance		±5 mm		
Material grade		304 / 1.4301	Weight per Sheet		71.5 kg (approx.)		
Material Standard		ASTM A240/A240M - Stainless Steel 304	Testing Required		Mill test certificate (MTC) 3.1, dimensional check		
Grade		304 (UNS S30400) / 1.4301	Flatness		Per ASTM A480/A480M, standard		
Width		1220 mm (4 feet)	Edge Condition		Mill edge / slit edge, deburred		
Length		2440 mm (8 feet)	Squareness		Max. 3 mm diagonal difference		
Thickness		3 mm	Surface Protection		PVC film, one side (2B face)		
Surface Finish		2B finish (cold-rolled, annealed, pickled)	Certificate Standard		EN 10204 Type 3.1		
Thickness Tolerance		±0.15 mm					
ADDITIONAL FEES FOR THIS POSITION - NOT INCLUDED IN AMOUNT OR ORDER TOTAL							
● Cert Fee (MTC 3.1) – per heat/lot, 1 certificate – All 50 sheets supplied from a single heat ● Packaging - Export Grade – per crate, 5 crates – Wooden crate with moisture barrier, 10 sheets per crate Not charged for this position: Cutting Fee, Testing Fee, Hydrostatic Testing, Rush / Same-Day Processing.							
Total theoretical weight of position: 3 575 kg Delivery date = arrival at site (DAP). Partial deliveries not accepted for this position.							

POS	ITEM CODE	DESCRIPTION	QTY	UNIT	UNIT PRICE	DELIVERY	AMOUNT
30	MAT-4829	Steel Pipe - Seamless	150	pcs	\$67.20	10.12.2026	\$10,080.00
TECHNICAL SPECIFICATION							
Type / part designation		Seamless Carbon Steel Pipe	Length		6000 mm (6 meters)		
Dimensions		NPS 2" (60.3 mm OD) x SCH 40 x 6000 mm	End Finish		Plain end (PE), square cut		
Material grade		ASTM A106 Grade B	Surface Finish		Black finish (as-rolled)		
Material Standard		ASTM A106 Grade B / ASME SA-106 B	Length Tolerance		+50 mm / -0 mm		
Pipe Type		Seamless (no weld seam)	Weight per Pipe		22.3 kg (approx.)		
Nominal Pipe Size		NPS 2" (DN 50)	Testing Required		Hydrostatic test, mill test certificate (MTC) 3.1, dimensional check		
Outside Diameter (OD)		60.3 mm (2.375 inches)	OD Tolerance		±0.4 mm (per ASTM A530)		
Schedule		SCH 40 (Schedule 40)	Wall Tolerance		-12.5 % of nominal		
Wall Thickness		3.91 mm (nominal)	Dimensional Standard		ASME B36.10M		
Inside Diameter (ID)		52.48 mm (nominal)					
ADDITIONAL FEES FOR THIS POSITION - NOT INCLUDED IN AMOUNT OR ORDER TOTAL							
Cert Fee (MTC 3.1) – per heat/lot, 1 certificate – All 150 pipes supplied from a single heat Hydrostatic Testing – per pipe, 150 pipes – Every pipe tested per ASTM A530; results stated on the MTC Not charged for this position: Cutting Fee, Testing Fee, Packaging (Standard / Export Grade), Rush / Same-Day Processing.							
Total theoretical weight of position: 3 345 kg Delivery date = arrival at site (DAP). Partial deliveries not accepted for this position.

Order summary

Order lines: 3
Total theoretical weight: 8 516 kg
Deliveries: 01.12.2026 (pos. 10), 05.12.2026 (pos. 20),
10.12.2026 (pos. 30)

Tax (6%) is calculated on the subtotal plus shipping, as agreed in the supplier's offer. All amounts in US dollars.

Unit prices are for material only. No volume discount applies to this order.

The order total does not include additional fees. The fees listed under each order position (cutting, certification, hydrostatic testing, export packaging) are charged at the rates in the supplier's price list, in the quantities stated, and invoiced as separate lines; tax (6%) applies to them. No other fees apply.

Subtotal (net value of goods)	\$25,567.50
Shipping	\$450.00
Total excl. tax	\$26,017.50
Tax (6%)	\$1,561.05
ORDER TOTAL (USD) - excl. additional fees	\$27,578.55

SUPPLIER REQUIREMENTS

Quality documents	EN 10204 type 3.1 inspection certificate for every heat/lot, sent electronically to qa-docs@kestila-is.fi no later than the day of dispatch. Certificates must state the order number and position.
Marking & labelling	Each bundle, crate or plate labelled with order no., position, item code, heat/lot no., quantity and gross weight. Labels weatherproof, on two sides.
Packing	Seaworthy/roadworthy packing suitable for forklift and crane handling. Stainless and aluminium material must not contact carbon steel during transport.
Delivery notice	Dispatch advice with truck plate, ETA and packing list to warehouse at least 24 h before arrival. Deliveries outside receiving hours will be refused.
Non-conformance	Material not meeting this order is rejected and returned at supplier's cost. Incoming inspection within 10 working days of arrival.
Invoicing	One invoice per delivery, quoting order no. and positions. Invoices without a valid order number are returned unprocessed.
