Application for the position of Project Coordinator

Dear Hiring Manager,

I am writing to apply for the Project Coordinator position that you advertised on your website last week. I have worked for six years as a site assistant and later as a coordinator in residential construction, and I would like to bring that experience to your team.

In my current role I schedule subcontractors, follow the budget of three parallel projects and write the weekly progress reports for the customers. I enjoy work where careful planning and good communication keep a project on schedule.

I would be happy to tell you more about my background in an interview. My CV is enclosed with this letter, and I can start on one month's notice.

Yours sincerely,

Elina Heikkinen
