1 About this guide

1.1 What this guide covers

This guide is the practical companion to the Employee Handbook. The handbook sets out the rules: pay, leave, travel, security and conduct. This guide shows how things work day to day: where the offices are, what happens when you start, which tools to use, whom to ask, and the dates that matter in 2026.

When a rule is described in the handbook, this guide refers to the handbook section instead of repeating it. If the two documents ever disagree, the handbook is correct and the People team should be told.

1.2 Halden Technologies in brief

Halden Technologies Oy was founded in 2009 and builds software and data platforms for industrial customers. It has about 420 employees in three offices: Helsinki (about 210 people), Tampere (about 120) and Tallinn (about 90). The headquarters are in Helsinki.

Department	Employees	Head of department
Product and Engineering	190	Sanna Koivu, Chief Technology Officer
Customer Delivery	110	Jonas Mägi, Managing Director, Estonia and Delivery
Sales and Marketing	50	Petra Vuori, Chief Commercial Officer
Operations and Finance	40	Antti Rautio, Chief Financial Officer
People and Legal	30	Helena Aaltonen, Head of People

The Chief Executive Officer is Maria Lindgren. The management team meets every Monday, and a company-wide update is held on the first Thursday of each month at 14:00.

2 Offices and facilities

2.1 Addresses and opening hours

Office	Address	Reception
Helsinki (headquarters)	Halden House, Satamakatu 8, 00160 Helsinki	+358 20 555 0110
Tampere	Halden Yard, Koskikatu 14, 33100 Tampere	+358 20 555 0111
Tallinn	Halden Harbour, Sadama 5, 10111 Tallinn	+372 555 0112

All offices are open on weekdays from 07:00 to 19:00, and reception is staffed from 08:00 to 16:30. Your badge gives you access at all times, including weekends. Offices are closed on public holidays (section 5.1).

2.2 Lunch and cafeteria

Helsinki and Tampere have a restaurant called Kitchen, open on weekdays from 11:00 to 13:30. Tallinn has a lunch area with a partner caterer and a microwave kitchen. The lunch benefit in the Employee Handbook (section 3.5) can be used at Kitchen and at partner restaurants near each office. A guest who joins an employee at Kitchen pays €12.50 for a lunch.

2.3 Parking, bikes and showers

- Parking at the Helsinki and Tampere offices costs employees €5 per day or €80 per month. There is no parking at the Tallinn office.
- Every office has a covered bike store, lockers and showers. Bikes leased through the bike benefit (handbook section 3.5) use the same store.
- Helsinki has 8 electric vehicle charging points and Tampere has 4. Charging is billed per kilowatt hour and paid by the employee.

2.4 Meeting rooms and guests

Meeting rooms are booked in the calendar. Rooms are named after Nordic lakes: Inari, Saimaa, Päijänne and Näsijärvi in Helsinki and Tampere, and Peipsi and Võrtsjärv in Tallinn. Rooms that are booked but not used within 10 minutes of the start are released automatically.

Guests must be registered at least one working day in advance on the visitor form on the intranet. They collect a visitor badge at reception and must be accompanied by an employee at all times. Guests use the guest network, never the employee network.

2.5 Pets and quiet rooms

Pets are not allowed in the offices, except assistance dogs. Every office has at least one quiet room for focused work or a rest. Quiet rooms cannot be booked for meetings.

3 Starting at Halden

3.1 Before your first day

After you sign the contract, the People team sends a welcome email with your start time and the name of your buddy. IT prepares your laptop and, if your role needs one, a phone (handbook section 7.1). They are ready at reception or are posted to you if you start in a remote role. Your accounts are created two working days before the start date.

3.2 Your first day

Time	What happens
09:00	Welcome at reception, badge and locker.
09:30	Meeting with your manager: role, goals for the first months, working hours and core hours (handbook section 2.3).
10:30	IT session: laptop, accounts, password manager and multi-factor authentication.
12:00	Lunch with your buddy.
13:00	Company introduction by the People team.
15:00	Meet your team.

3.3 First week and the first three months

In your first week you meet the people you work with most, receive access to the systems you need, and agree the goals for your first 30, 60 and 90 days with your manager. Your buddy is a colleague who answers practical questions for the first three months; the buddy is not your manager.

The probation period lasts 6 months (handbook section 2.2). Your manager holds a probation review with you at the end of month 3 and again at the end of month 5. Employees who need to take a long absence during probation should read how probation is extended in the handbook.

3.4 Required training in the first 30 days

Course	Length	Why
Information security awareness	45 minutes	Passwords, phishing, devices and data classes (handbook section 7).
Data protection	30 minutes	Handling personal data and what to do in a breach.
Code of conduct	30 minutes	Respect, gifts, conflicts of interest and speaking up (handbook section 9).
Health and safety	20 minutes	Evacuation, first aid and reporting accidents (handbook section 8).

All four courses must be completed within 30 days of the start date. The People team sends a reminder after 20 days and tells the manager if a course is still open after 30 days.

4 Tools and IT help

4.1 The systems you will use

System	Used for
PeoplePortal	Leave requests, pay slips, personal details and the training record. This is the HR system and the payroll portal mentioned in the handbook.
HaldenChat	Team chat and calls. Use it for quick questions; use email for decisions that must be recorded.
Intranet	News, policies, the approved AI tools list, the visitor form and the safety form.
TravelDesk	Booking flights, trains and hotels (handbook section 6).
ExpenseNow	Expense claims, due within 30 days of a trip (handbook section 6.5).
Halden Vault	The company password manager (handbook section 7.2).
Software Center	Installing approved software on your laptop.
HaldenConnect	The VPN for remote access to internal systems.

4.2 Passwords and accounts

You can reset your password yourself in the self-service portal after verifying with multi-factor authentication. After 3 failed attempts the account is locked for 15 minutes. If you cannot use multi-factor authentication, for example because you lost your phone, the IT service desk resets access after checking your identity by video call.

Remember that passwords need at least 14 characters and must be kept in Halden Vault (handbook section 7.2).

4.3 Software, equipment and printing

Install approved software from the Software Center. Software that costs money needs your manager's approval and is ordered by IT. Monitors, keyboards and headsets can be borrowed from IT without cost. The allowance for a home desk or chair is described in the handbook (section 5.2).

Printing uses secure print: you send a job and release it at any printer with your badge. Documents classified as Confidential or Restricted should be printed only when needed (handbook Appendix D).

4.4 IT service desk

The IT service desk is open on weekdays from 08:00 to 17:00. Create a ticket in the service desk portal or write to servicedesk@halden.example. The response targets depend on the priority of the ticket.

Priority	Example	Response target
Critical	Lost or stolen laptop with company data, suspected account takeover, an outage that stops many people	30 minutes
High	You cannot work because of a fault in your own device or account	4 hours
Normal	A software request or a question about an account	1 working day
Low	A cosmetic problem or an advice request	3 working days

> **Important.** A lost device or a suspected data leak must be reported to the security team within 1 hour, at any time of day (handbook section 7.5). Do not wait for the service desk to open.

5 The 2026 calendar

5.1 Public holidays and closing days

Offices are closed on public holidays. The holidays differ between Finland and Estonia.

Date	Day	Finland	Estonia
1 January	Thursday	New Year's Day	New Year's Day
6 January	Tuesday	Epiphany	Working day
24 February	Tuesday	Working day	Independence Day
3 April	Friday	Good Friday	Good Friday
5 April	Sunday	Easter Sunday	Easter Sunday
6 April	Monday	Easter Monday	Working day
1 May	Friday	May Day	Spring Day
14 May	Thursday	Ascension Day	Working day
24 May	Sunday	Whit Sunday	Whit Sunday
19 June	Friday	Midsummer Eve	Working day
20 June	Saturday	Midsummer Day	Working day
23 June	Tuesday	Working day	Victory Day
24 June	Wednesday	Working day	Midsummer Day
20 August	Thursday	Working day	Day of Restoration of Independence
31 October	Saturday	All Saints' Day	Working day
6 December	Sunday	Independence Day	Working day
24 December	Thursday	Christmas Eve	Christmas Eve
25 December	Friday	Christmas Day	Christmas Day
26 December	Saturday	St Stephen's Day	Boxing Day

In addition, all Halden offices are closed on 28, 29 and 30 December 2026 as company closing days. These three days are paid and are not deducted from annual leave.

5.2 Paydays in 2026

Salary is paid on the 15th of the month, or on the last working day before it when the 15th is a weekend day (handbook section 3.1). The pay slip is in PeoplePortal on the day of payment.

Month	Payday	Note
January 2026	Thursday 15 January	15th.
February 2026	Friday 13 February	15th is a weekend day, so paid on the last working day before it.
March 2026	Friday 13 March	15th is a weekend day, so paid on the last working day before it. Company bonus (if targets are met) is paid with this salary.
April 2026	Wednesday 15 April	15th.
May 2026	Friday 15 May	15th.

Month	Payday	Note
June 2026	Monday 15 June	15th. Holiday bonus (50 percent of holiday pay) is paid with this salary.
July 2026	Wednesday 15 July	15th.
August 2026	Friday 14 August	15th is a weekend day, so paid on the last working day before it.
September 2026	Tuesday 15 September	15th.
October 2026	Thursday 15 October	15th.
November 2026	Friday 13 November	15th is a weekend day, so paid on the last working day before it.
December 2026	Tuesday 15 December	15th.

5.3 Performance and leave dates

Date	Event
31 January	Goals for the year are agreed with the manager.
February and March	Annual performance reviews.
31 March 2026	The leave year 2025 to 2026 ends. Up to 5 unused days can be carried over with written approval (handbook section 4.1).
1 April 2026	The new leave year starts. Salary changes from the March review take effect.
April	Promotion decisions, first round.
2 May to 30 September	The window for summer leave of at least 4 consecutive weeks.
August	Mid-year check-in. It is not rated.
October	Promotion decisions, second round.
November	The People team reviews the Employee Handbook.

6 Safety and emergencies

6.1 In an emergency

- Call 112 for fire, a medical emergency or danger to life, then tell reception.
- On a fire alarm, leave the building by the nearest stairs and go to the marked assembly point. Do not use the lifts.
- First aiders wear a green badge and are listed on the notice board on each floor.
- Report every accident, near miss and unsafe condition to your manager and the facilities team within 24 hours, using the safety form (handbook section 8.1).

6.2 Lost badge or visitors in trouble

Report a lost badge to reception immediately. It is blocked within 15 minutes and a replacement is issued on the same day. If you see a person without a badge who is not accompanied, ask politely whether they need help and tell reception.

6.3 Wellbeing support

Counselling through MindWell, occupational health care through Medifit and the SpeakUp channel for concerns are described in the handbook (sections 3.4, 8.3 and 9.4). The People team can help you find the right service.

7 Who to ask

7.1 Contacts by topic

Topic	Contact
Contracts, pay, leave, onboarding	People team, people@halden.example, +358 20 555 0101
Devices, accounts, software	IT service desk, servicedesk@halden.example, +358 20 555 0102, weekdays 08:00 to 17:00
Security incidents, lost devices	Security team, security@halden.example, +358 20 555 0103, answered at all times
Offices, badges, parking, visitors	Facilities team, facilities@halden.example, or the reception of your office
Expenses and travel	Finance team, expenses@halden.example
Data protection	Data Protection Officer, dpo@halden.example
Concerns and reports	SpeakUp, speakup.halden.example, open 24 hours

8 Frequently asked practical questions

8.1 Everyday questions

Can I work from another office? Yes. Book a desk in the desk booking tool. Your badge works in all three offices.

What should I do if the badge reader does not open the door? Go to reception during opening hours. Outside reception hours, call the facilities emergency number on the door.

Can I bring a guest to lunch? Yes, at Kitchen in Helsinki and Tampere. The guest pays €12.50.

How do I book a meeting room for a customer visit? Register the guest on the visitor form at least one working day ahead and book the room in the calendar.

Who decides on equipment for my home office? The allowance is in the handbook (section 5.2). Borrow a screen, keyboard or headset from IT for free.
